Work and Leadership Experience

Work

INTERNSHIP
Epicor (February 2024 - Present)

- Contributing to a Web Development project using Angular and company framework.
- Applying knowledge in Typescript, HTML, CSS, UI design, responsive design, and Git version control system.
- Utilizing Object-Oriented Programming skills in real-world scenarios.

OPERATIONAL SUPERVISOR
Cinépolis (June 2019 - February 2021)

- I successfully led the team through the difficulties of the pandemic. I implemented improvements that resulted in reduced wait times, ultimately improving customer's overall experience.
- Adapted strategies to evolving health and satisfaction guidelines.
- Fostered a positive work environment through staff training and motivation.

Leadership

PRESIDENT OF A STUDENT ORGANIZATION
Facultad de Ingeniería Mecánica y Eléctrica
(November 2022 - June 2024)

- Organized social and cultural events, achieving participation records.
- Administered budgets and resources that ensured successful projects execution and obtaining profit.

SECRETARY OF IMAGE AND MEDIA
Facultad de Ingeniería Mecánica y Eléctrica
(April 2022 - Present)

- Devised communication strategies that boosted student engagement in events and members of different student organizations.
- Enhanced group's image via social media campaigns. This result in a increase of the university recognition without monetary investment.

Education

SOFTWARE TECHNOLOGIES ENGINEERING
(2017 - Graduation date: June 2025)
Facultad de Ingeniería Mecánica y Eléctrica, UANL.

Courses and Certifications

FULLSTACK JAVASCRIPT COURSE
BEDU (2023)

WEB DEVELOPMENT BOOTCAMP
Currently enrolled in an online course instructed by the Lead Instructor at the London App Brewery.

SCRUM FUNDAMENTALS CERTIFIED
ScrumStudy (2024)

LEADERSHIP TRAINING DIPLOMA
With consistent participation in two different courses, one in Resilience and another in Assertiveness, both offered at the Facultad de Ingeniería Mecánica y Eléctrica. (2024)
